

How to install TTS app shortcuts on my iPad?

! UPDATE 2017 !

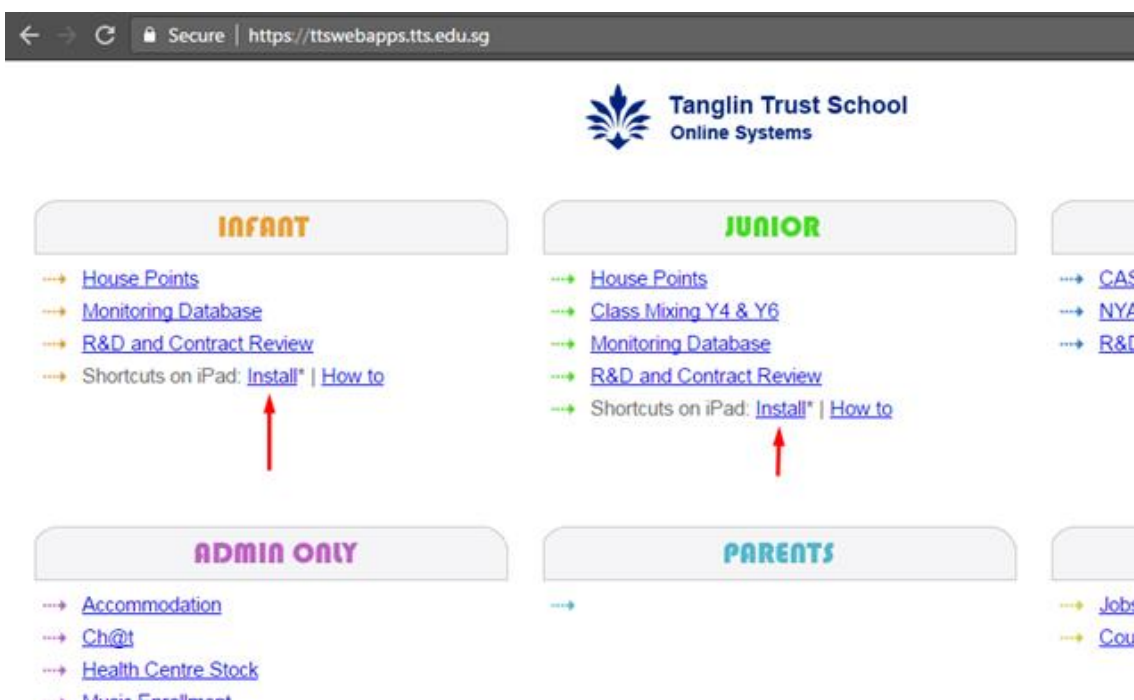

Version to use: FileMaker GO 15

**Remove all FileMaker GO apps before installing latest version*

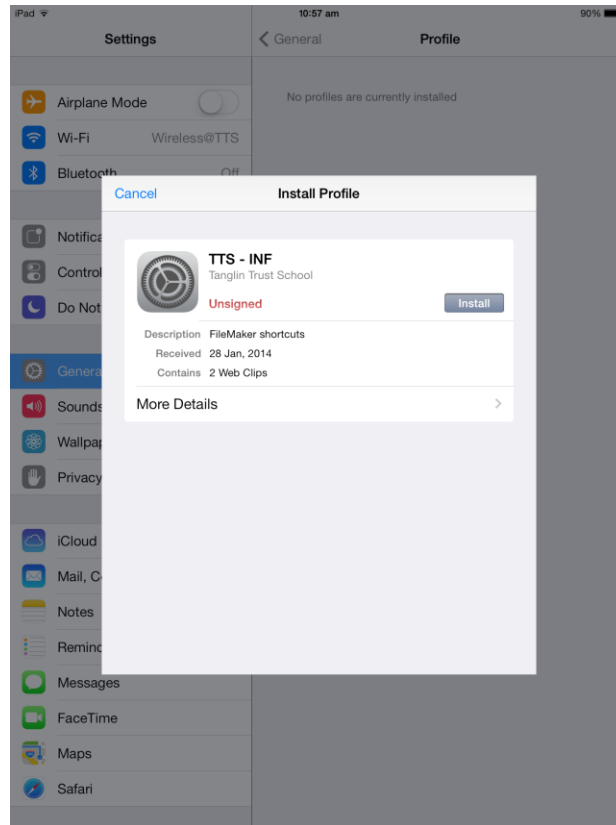

1. Before you install the shortcuts, please ensure that you have FileMaker GO installed on your iPad. You can install FileMaker GO from the App Store.

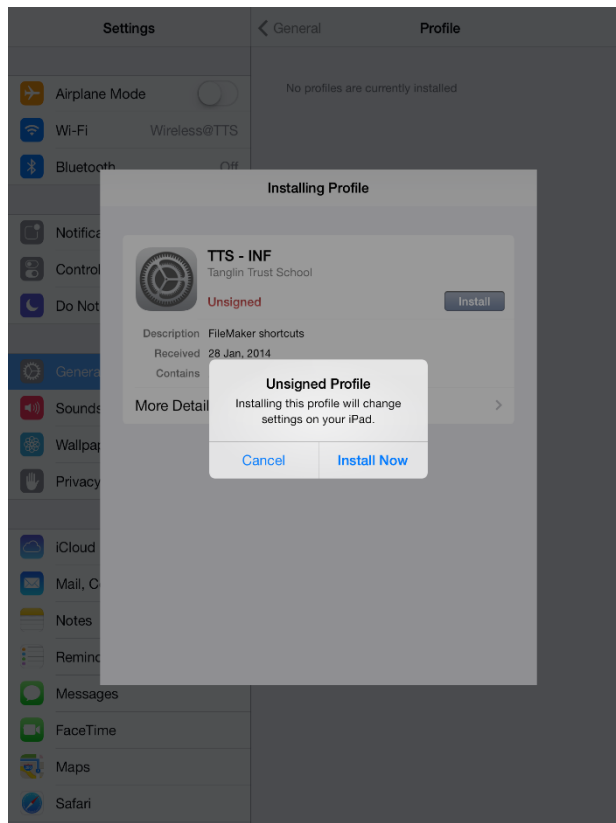

2. Launch Safari on your iPad, visit <https://ttswebapps.tts.edu.sg/> TTS FileMaker page and tap on the **Install** link.

3. You will be prompted to install a profile named after TTS. Tap **Install**.

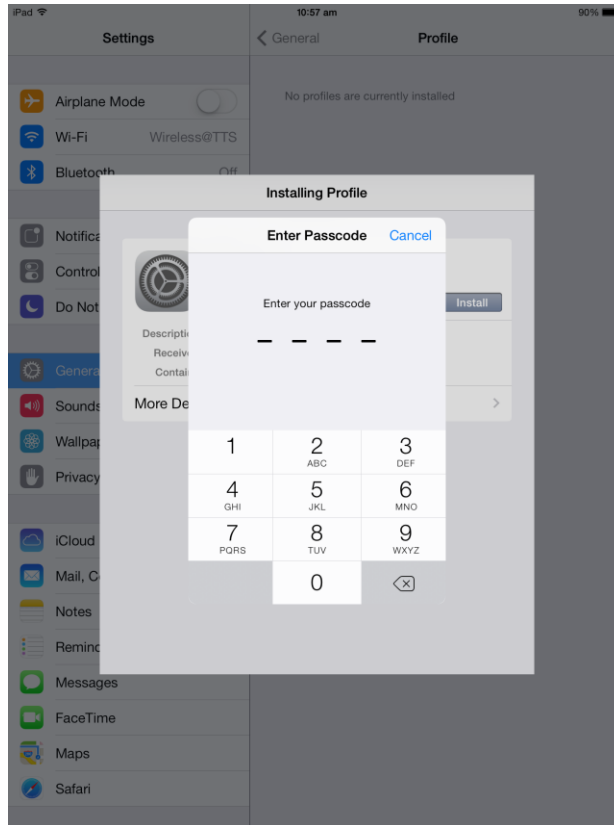

4. Tap **Install Now** to acknowledge the Unsigned Profile and continue

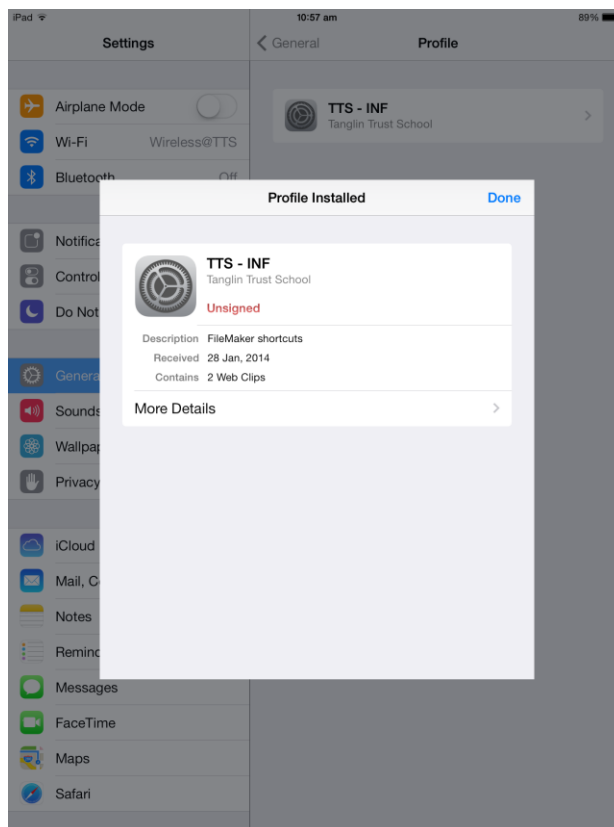

5. Enter your **Passcode**

Passcode is normally the 4-digit code that you set to unlock the iPad from sleep mode.

6. Once the installation is completed, tap **Done** to close the dialog box.

7. Back to your home screen, you should see the new shortcut(s) on your iPad.
